Adrian the Apple

Adrian is a hardworking and devoted apple. Unfortunately, he's a bit clumsy too. Will he learn to make smart decisions so he's fit enough to help Mrs Wiggle in her garden?

Carol the Carrot

After reading every book in the library, Carol decides to travel the world. Join her for a heart-warming tale of exploration and adventure as she learns about the importance of family and home.

Emily the Egg

School is tough on Emily. She doesn't believe she can make the grade. That is – until Mrs Right teaches her to believe in herself. With the help of one teacher, Emily learns to conquer her self-doubt through positivity, preparation and practice.

Benny the Bean

A very outgoing bean, Benny chats with his friends on his computer day and night. His habit quickly turns sour, as Benny starts to lose sleep and miss homework assignments. Then Benny receives a new present – an adorable puppy. How in the world can Benny manage it all? Find out in this remarkable story about personal responsibility and balance.

Peter the Potato

How terribly grumpy is Peter! His glass is always half full, until a mistaken party invitation brings him face-to-face with Pablo the Potato, whose equally grumpy demeanour shines a light on Peter's own negativity. Did fate bring them together? Or did an optimistic friend hatch a plan to show these two potatoes the sunnier side of life?

Molly the Mushroom

Cute and cheerful Molly has one problem – she believes everything she's told. After spending almost all her money on a wish-granting machine, she learns a powerful lesson about facts and "too good to be true" fictions. It's a tale that illustrates truth and discernment in an era of advertising aimed at children.

Lorenzo the Leek

Lorenzo is one vain leek. So his friends Adrian the Apple and Billy the Banana decide to play a trick on him. In the end, all three friends learn a valuable lesson about humility and the meaning of friendship.

Oliver the Orange

Oliver is so distracted by his new mobile phone that he ignores his friends and the world around him. Will losing his precious phone wake him up to the error of his digital ways? It's a must-read for any child (and adult!) who spends too much time on mobile devices.

Zepp the Zucchini

Zepp is tired and slow at work. After working late one night, he misses the bus and has to run home. What bad luck! Except that when Zepp awakes, he discovers exercise cures his physical and mental woes. A fun book on why exercise is important for both the body and mind.

Willy the Walnut

Messy and forgetful, Willy accidentally misses his rugby game. Adrian the Apple usually saves him, but not this time. So Willy decides to take charge of his life, and he starts by tidying up his room. A delightful tale with a twist ending that's perfect for anyone who needs an extra push to stay organised.
